Hello Sarah,

I have a couple of requests:

1. San Fernando Rd. / Cobalt

Service Request # 1-1605528941

-illegal dumping by the RVs. Should I place it on CARE or can sanitation just clear the debris. There is a picture of the dumping, please let me know.

2. 10470 Amboy Ave / Van Nuys

Service Request: 1-1601862151

-I know CARE is focusing on Paxton / Bradley; however, there is debris on the street may you please send your team to clean the area it is already on CARE and I have added it for this Friday.

3. Paxton / Bradley

-Should I still continue to add this location onto next week's CARE schedule?

Just to update you, I spoke with my team yesterday and I reminded them to email me if they have any illegal dumping requests that were not fulfilled so I may send them to you. In addition I told them anything regarding RVs will be inserted to CARE if there are public safety concerns and if there are septic issues WPD will be notified and will investigate and based on their case they will act accordingly. Lastly, I also reminded them about the bulk item injunction.

Attached to the email, I have the Foothill Blvd RVs. Based on my investigation and the pictures there are no septic issues and trash / debris issues. Please see them and let me know if you think otherwise. I will take care of the other requests Alejandro and Juan sent me and email them of the actions I have taken.

Thanks,
